Dear praying friends—

We feel like we've given your knees a workout! We are eternally grateful for your prayer covering and feel so nestled under Father's wings.

Please bathe us in prayer as Daryl recovers from sinus surgery.

We are filled with Father's peace in the timing of this surgery although it was not "our" perfect plan. We hope to return to CR the very end of January following a doctor-ordered 3-week recovery. We are choosing to be thankful for this extension on our home leave---having set goals for these 3 weeks & putting action to that which the Lord has been speaking to us

Daryl, Jen, Micah, Joseph, Jedidiah and Adam  
(Update: Daryl's surgery went well & he can hear again)
