WHAT IS MINISTRY?

DEFINITION: (Greek "diakonos"
= "to serve")

"MINISTRY IS USING WHATEVER
GOD HAS GIVEN ME TO SERVE HIM
AND THE NEEDS OF OTHERS."

The graphic features a silhouette of a person on the left, holding a glowing lightbulb above their head. The background is a gradient of purple, blue, and green, with faint, overlapping text and icons related to ministry, such as 'Worship', 'Share in the Love', and 'Worship'.

Lancaster Mennonite School has the following position open:

DIRECTOR OF ADVANCEMENT - Full-time position

The Director of Advancement will share the vision of LMS to have a lifelong impact by empowering students to change their world through Christ-like love, peacemaking and service. Working with the Superintendent, School Board and Administrative Team the successful candidate will strengthen current fundraising strategies and develop new ones, primarily amongst businesses and individual donors. The Director will identify funding opportunities, support individual and business donor engagement opportunities and solicitations and develop strategic approaches for fundraising growth. This is an excellent opportunity for a development professional with a passion for helping students of diverse abilities and interests be all they can be.

A Master's degree or CFRE certification preferred. Experience in development, donor cultivation, annual campaigns and grant writing along with a working knowledge of standard concepts, practices and procedures related to institutional advancement and fundraising is required.

Salary is commensurate with experience.

Interested candidates should submit their cover letter, professional application and resume to humanresources@lancastermennonite.org. Applications will be received until the position is filled.

Please check our website for more information:
