Last Sunday, on Feb 19, Mary Ellen Leaman was admitted to Lancaster General Hospital with an acute onset of an inability to swallow. Tests indicate that a small stroke has caused this difficulty. She has no paralysis and is alert. Pray for wisdom for the medical team, and patience and peace for the family as they wait for healing. Ivan has been granted permission to stay by her side so he can receive the reports and help in understanding the treatment plans.

KEY SYSTEM - The church key system is now complete. The outer doors have been re-keyed. This means that the old church keys will no longer work on the outer doors. However, the old keys will still work inside for classroom doors and the teacher supply closet. Please see Ashley in the office for a new keycard.

HOUGHTON CHOIR Concert will be hosted here at SMC tomorrow, Monday, February 27 at 7:00 pm. Volunteers are still needed for housing on Monday night and providing a potluck meal before the concert. Sign up on the information table. See Elly Kewin with any questions.

IF GATHERING - Women 18 and older are invited to join us for this virtual conference March 3-4. Last year was amazing - you don't want to miss out! Friday's session runs 7:00-10:30 pm. Saturday's session runs 10 am to 5 pm, with lunch served. Cost is \$19. Our registration link is: join.if2023.com. Attendees should select IF: Stumptown Mennonite Church.

COLLEGE CARE PACKS - It's the time of the year where we show our support and encouragement to our college students. It's a busy semester for them, with term papers and big exams! Share a note and/or donate some snacks and goodies for them to enjoy while studying. See the display in the lobby.

GUESS WHO'S COMING TO DINNER - The popular fellowship event returns this year! It will take place Sunday, April 16, after church. Start thinking about whether you'd like to be a host or a guest. Information will soon be in your mailboxes and on the information table.

SERMON NOTES

NEXT WEEK: "B.L.E.S.S."

When you've been transformed by God's love, you can't help but want others to experience the same grace and freedom. But how do you share it with them? For many, "evangelism" is an intimidating word that suggests handing out tracts to strangers or doing other awkward things. But what if there was a more organic, more authentic way to share your faith with your friends, neighbors, and coworkers? BLESS is five simple practices allowing you to do just that. Join us... you and others will be blessed.
