SERMON NOTES

"B.L.E.S.S."

When you've been transformed by God's love, you can't help but want others to experience the same grace and freedom. But how do you share it with them? For many, "evangelism" is an intimidating word that suggests handing out tracts to strangers or doing other awkward things.

But what if there was a more organic, more authentic way to share your faith with your friends, neighbors, and coworkers? BLESS is five simple practices allowing you to do just that. Join us... you and others will be blessed.

At Stumptown, we desire to lead people in a growing relationship with Jesus Christ
